

Vehicle Data Cards

With your MERCEDES-BENZ you receive two vehicle data cards listing all major vehicle data.

Data card No. 1 bears the key number and should on no account be left in the vehicle. Submit this card to your MERCEDES-BENZ service station to request a replacement key in case of loss.

The production data card bears no key data and is kept in the maintenance booklet. Presenting this card to the service station will facilitate the processing of the order.
